**Principal**: David Twite

Bell Primary School is a caring community that fosters a love of learning in young people. At school and beyond, students are confident to think critically and empowered to thrive in a rapidly evolving world. We are grounded by our school values of **resilience**, **creativity**, **curiosity**, **collaboration** and **respect**.

Bell Primary School is a Child Safe School. We are committed to the safety and wellbeing of all children and young people, and have zero tolerance for child abuse.

Bell Primary School acknowledges the Wurundjeri people of the Kulin Nation as the traditional custodians of the land the school is located upon, and pays respect to Elders past, present and emerging.

#### **Referendum Day Fundraising**

On Saturday, the school will be open as a ballot centre and it will be a great opportunity to raise more money for our main priority being lighting equipment for the gym/hall. School Council have discussed the idea that a moderate percentage of the money will go towards purchasing future teaching and learning resources to support a Reconciliation Action Plan (RAP).

A Bell PS RAP is something the School Council flagged as an action back in early 2020 with some initial investigation started. Unfortunately the pandemic put a hold on this project. The revitalised Diversity and Inclusion subcommittee has identified a RAP as one of their key actions to explore and, given this moment in time with this referendum, it seems appropriate to re-start that process. At various stages of the RAP process, key stakeholders will be consulted and I will also reach out to other local schools on a similar path or schools that have already completed a RAP.

Scroll down to page 9 to see the details of the Referendum Day stalls and how you can volunteer to do some baking or help throughout the day.

#### **Upcoming Working Bee (Bell Blitz)**

There is a working bee planned for *Saturday 11 November* with a blitz on all the garden beds around the school to weed, tidy up edges and spread mulch. Main focus areas are at the north end of the school in between portables, in the Northern PlaySpace, around the Learning Centre, plus the fence lines at the south end. After the massive tree planting exercise last holidays, if we can finish off the above listed areas, our school will start to look and feel like an engaging place to be and help foster greater pride across the entire school community. More details with a sign-up link to come soon.

#### Leaving Bell in 2024?

As we continue forward planning for 2024, predicted enrolments are a crucial element to the process. Any families intending to leave the school, I ask that they contact the office as soon as they can to assist us with decisions on class structures and next year's staffing profile. We understand there are many reasons why families move on and always appreciate early communication when possible.

#### **Grade Combinations for 2024**

Staff will be starting the transition work for next year's grade combinations soon with Step Up sessions later in the term. Our starting point for grade allocation is for grade teachers, specialists and leadership to reflect on the dynamics within each grade this year, and then seek input from both parents/carers and students.

The steps are done systematically with the parent/carer Google form that will be sent out early next month, and with students having input to their friendship selections as per previous years. <u>Please do not contact your child's current teacher or anyone in leadership via email or request a meeting yet.</u> Wait for the Google form, which will be flagged in forthcoming newsletters, to provide your thoughts about your child/ren's needs for next year.

#### **Pupil Free Day**

As part of the DoE and AEU Agreement, schools are able to allocate one of their Professional Practice Days as a common day where students do not attend school, enabling teachers to work on key tasks related to their role. After consultation with staff, I have determined that a Pupil Free Day will be held on *Monday 6 November* (the day before Melbourne Cup) where teachers will work on the end of year student assessment and reporting process.

This gives families the opportunity for an extended weekend if work arrangements allow. OSHClub will run a service for the day if enrolments justify a program.

#### **Assembly on Fridays**

After analysing the feedback from students, staff and parents/carers, it is clear that many favour the Friday afternoon assembly timeslot. Therefore, the end of week assembly will remain in place for the foreseeable future. With the warmer months coming and an amazing gym/hall to be finished in the future, Friday afternoons will become a special time to connect and mingle with the Bell community if you have some free time.

# From our Assistant Principal:

We are undertaking a review of our reporting cycle that informs and engages parents and carers in their child's learning.

For parents/carers of students in the middle-senior years, you will recall that a similar survey was conducted at the end of 2019. Based on the feedback from the school community, parents/carers community, teachers and students, a number of strengths and areas for adjustment were identified. Subsequently both minor and major changes have been strategically implemented between 2020-2023, including but not limited to:

- Information nights scheduled for earlier in Term 1 with administration reminders removed. This has enabled teaching teams to focus on sharing relevant teaching and learning or year level specific information. Administration reminders are now documented, sent out via Compass Newsfeed annually and available on the website.
- Semester reports now sent out at the end of term 2 instead of early term 3. Adjustments to Specialist comment areas and inclusion of effort/behaviour scales for each area.
- Term 3 student led conferences were replaced by a Parent/Carer-Teacher Conference. Student led conferences
  evolved into Celebrations of Learning, enabling termly opportunities for students to share their learning with
  parents/carers in a more structured way.
- Blogs were strategically abandoned and Parent/Carer Learning Support documents implemented to keep parents/carers connected with the learning happening in the classroom each term, including provision of suggestions to support learning at home.

As all changes have now been implemented, we are once again seeking feedback to identify and further refine, and ensure our whole school approaches are meeting the needs of all members of our school community-parents/carers, teachers and students.

While there are additional and more individualised communication processes between school and home, this survey is solely focused on our whole-school processes.

The survey will take approximately 10-20 minutes to complete and will close on **Friday 3 November**.

# **Library News:**

This newsletter article is here to inform you about the new display of traditional Aboriginal items in the library and why we have them. These items include a didgeridoo, a spear, a throwing stick, a shield and two bonecrusher boomerangs. We added this display to acknowledge the traditional practices of the Australian Aboriginal people. As you can see, we are going to continue building on the library of Bell Primary to make it a calm and quiet place for the whole school. Also, these items weren't purchased recently, the school has had them in storage since the renovations to the main building and have finally found the best spot for them.

# COVID Requirements Update

As of July 10, Victorian schools are no longer required to keep records of student COVID cases, however the DET recommendation remains in place that any staff or students who test positive for COVID should stay home for 5 days minimum and only return to school when they are symptom-free. We kindly ask that you continue to inform office staff or your child's teacher if your child tests positive for COVID. Free rapid antigen tests are still available at the front office. # Year 4-6 World's Greatest Shave Sign-up

On November 10, the Junior School Council of Bell will run a World's Greatest Shave fundraising event to support the Leukaemia Foundation.

Students in Grades 4-6 who are interested in becoming fundraisers and shaving their heads will be able to register their interest with a JSC representative who has visited their classroom in Week 1.

Students who register will need their parents' permission and to sign up as a fundraiser. This can be done by signing up using the link here or the QR code attached. Students and their parents should complete the online sign up for the Bell Team as soon as possible, and by 22 October (end of Week 3) at the latest. Once students are signed up they can get fundraising!

All students will be able to donate to the Leukaemia Foundation as we will have a gold-coin donation Special Hair Day as part of our World's Greatest Shave event on November 10.

Get in touch with Claire or Hannah if you need further information.

Thank you for your support! Claire, Hannah, and the Junior School Council
