

Dear Parent/Carer,

We are looking forward to an exciting year of teaching and learning and would like to advise you of Bell Primary School's voluntary financial contributions for 2026.

Schools provide students with free instruction to fulfil the standard Victorian curriculum, and we want to assure you that all contributions are voluntary. Nevertheless, the ongoing support of our families ensures that our school can offer the best possible education and support for our students.

We want to thank you for your financial support. This has made a huge difference to our school budget and the programs we can offer. Within our school your financial contributions have allowed us to offer delivery of quality and well-resourced classroom learning programs, well-resourced specialist programs, enhance digital learning resources and extra-curricular experiences.

Additional contributions/donations have contributed to the expansion of our library collection (library fund), continuous upgrades to the buildings (building fund) and continued maintenance of our school's ample grounds including upkeep of the south oval (grounds donation).

Department of Education guidelines now instruct that schools are unable to provide parents with a statement of fees. Parents are asked to please review the voluntary financial contributions schedule below for an indication of recommended contributions for us to provide quality programs with adequate resourcing.

The parent payments form will be accessible via Compass from 29/01/26 that will include the various contribution categories applicable to you (A, B, C, D) paid directly to the school.

Category E is a range of extra-curricular items and activities that enhance or broaden the schooling experience of students eg. Camps/Excursions. These are offered on a user-pays basis throughout the year.

Category F is a list of the items that the school recommend you purchase from COS or you provide similar/same items yourself for your child to individually own and use throughout the year.

For further information on the Department's Parent Payments Policy please see the one-page overview on the last page.

Yours sincerely,

*Emma Heywood*
